August and September Specials

Please leave a cooler with your name on it so that I can place your order into it unless your drop spot has a freezer. Usually a cooler large enough to hold 2 grocery bags will do it. Check out the schedule and specials below, decide on what you would like and email your order to theorganicchef@yahoo.com and I will deliver it on the next delivery day. Melissa will email you your invoice a day or two before delivery and you simple pay over the phone using your CC or leave a check with your cooler.
